REMINDER NOTES & INSTRUCTIONS

- *It is very important that each member of a group complete an individual registration form **WITH HIS/HER PERSONAL INFORMATION** and the Release Form on the reverse side be signed by the participant or by the parent or guardian of the participants under the age of 18 years.*

Our Insurance requires that each registration form contain the individual's specific information in case of an emergency. Address and telephone numbers must belong to the participant.

In the past, directors have used their address and telephone numbers on all forms. We cannot accept forms completed in that manner. Thank you very much for your cooperation.

- *Please insure that each form is legible. We want to spell names correctly on all materials for each student.*
- *Directors, please insure that you include your cell numbers in the registration forms. Many times during the conference we have to contact you for a variety of reasons.*
- *Showcase Concert: You must register for Showcase Competition at the same time you register for the conference.*
- *Music selections for performance must include either a son, a ranchera or a huapango or all three if you can make it work in the allotted seven (7) minutes.*
